Tough Like RORR 2026 - Event Cancelled

Due to circumstances beyond the control of Reading Off Road Riders (RORR) and its land partner, the club has regrettably made the decision to cancel this year's Tough Like RORR event. RORR is forever grateful to the racers, fans, sponsors, and partners that have shared the Tough Like RORR experience with us and helped build the event's reputation as one of America's toughest races over the last eleven years. We're thrilled to have been a part of the growth of hard enduro and sad that we cannot share in the sport's inaugural AMA National Championship season.

While we understand that this decision is difficult and disrupting for many, as it is for us. We sincerely apologize for those impacts, but we could really use the racing community's support in recovering from this unanticipated outcome. We had committed to raffling a brand new 2026 KTM 300 XC-W at Tough Like RORR this year. That raffle is still active and in past years many tickets were sold during the event. Please help RORR sell those tickets this year by scanning the QR code below and by spreading the word.

Perhaps Tough Like RORR returns someday, that is yet to be determined, but until then we look forward to seeing our hard enduro family at October's Coal Cracker Smacker.

Regrettably,
Reading Off Road Riders
